President's Lily pad

Well the days are getting shorter and the lilies are coming to the end of their blooms. For some of us there are still blooms from late flowering lilies. I still have Stargazer to open up. There have been many more sightings of the lily beetle and I hope to be pest free next year so far this year is I have not seen one on my lilies. I do seem to have a lot of slug damage this year on more than just Hostas. I still spread coffee grounds on my garden in hopes that it does repel the beetle but it also helps the soil so will do it regardless. We had an amazing turnout for the Annual Lily Show this year. The entries

were amazing considering the lateness of the show and the early blooming season. There were some lilies never entered before and that gives a new dynamic to the tables. For those of us who do not deadhead the seed pods are ripening. Think about donating some seed to send to the RHS. Bring it to one of the bulb sales or mail it to the address in the footer. I have ordered the sale bulbs and there is a bulb list to peruse. Olds College is starting a new lily trial and have asked for some bulbs to plant for this new study.

The Calgary Zoo project is sourcing out the Gene Fox Martagons to plant as its next hybridizer to highlight. This coincides with the Leduc Communities in Bloom committee planning a Gene Fox Lilies heritage bed. If anyone has a source for any Fox registered lilies forward it and let's get these two beds populated.

In 1992 UBC Botanical garden released "Purple Haze", an herbaceous penstemon, for the 75th anniversary of the UBC Alumni Association. The Alumni Chronical in 1992 says "It forms a solid mound of colour for several weeks and is excellent for cascading over rock walls on well drained sunny banks and alpine gardens." Well it also was a Zone 5 that I snapped up and planted into my garden. It used to suffer from winter kill, but covering the stems with peat moss and allowing it to root into it provides the protection for it to thrive in the Edmonton climate. Many of ARLS members use this as a great ground cover. See if someone will part with a branch, it easily roots into your garden.

THE LILY SHOW RESULTS

31ST ANNUAL LILY SHOW JULY 23 & 24 2016

The **PEOPLES CHOICE AWARD** goes to Exhibitor #12 Suzanne Stack for Class 9 Farmer in the Dell with 14 votes.

2016 Floral Design Section Report Annual Show.

The Floral Design Section 2016 showed that our 8 designers have an enormous amount of creative talent in the 44 designs entered in 9 classes and I thank each of you for your participation. I regret we had no Youth entrants.

Congratulations to Suzanne Stack for receiving the **Cecilia Bertram Award** for the **Best Design in Show** for her design Farmer in the Dell that was also voted in for the **Peoples Choice Best Design in Show Award**, the **Lilium Award for the design that most enhances the lily** for her London Bridge is Falling Down design and the Gold Sweepstakes Award for the most First Place Ribbons (4) in the Show. Suzanne won all the top awards possible for a multi-time exhibitor.

Congratulations to Darcy Steinwand, a First Time Exhibitor, for receiving the First Place Ribbon for the Bowl Arrangement and the First Time Exhibitor Design Award. Samantha Dobler was our second First Time Exhibitor. Cecilia Bertram receives the Silver Sweepstakes Award for the Second Most First Place Ribbons (3). The other designers were: Maureen Bexson, Marie Wenger, Bertha Lardner and Dianne Skimming who entered, as one observer stated, amazing designs. My sincerest thanks to all of you for making this show a great success. Iris Salmon, a Certified Floral Evaluator Judge and Floral Educator for Grower Direct Corporate Head Office, who was the instructress for the ARLS "Out of the Box" hands-on workshop in January, was the judge for the Design Section and Maureen Bexson, Suzanne Stack and Ada Socholotuiik were the clerks.

There will be some changes in the Design Section for 2017. The vase arrangement will no longer be restricted in height and width of vase giving designers greater freedom in design. It will continue to be restricted to lilies only, no other flowers, but one can utilize greens and other embellishments. The number of designs in the theme will also be reduced by at least one. Please encourage friends and family to participate by showing their

The Annual Show changed venues this year and was attended. The weather created some difficulties with gusts getting into the green house and causing some of displays and wilting of greenery. Having the roof and natural lighting compensated for the 36 degree temperatures within. Overall the event was a We had some first time exhibitors who won some so I hope they will be back next year. RHS Lily Group

The RHS lilies and related plants 2015-2016 is ready for download from <http://www.rhslilygroup.org/>

ARLS will be sending seed to the RHS lily group seed list again this fall. Deadline for mailing is November 15th. BRING YOUR SEEDS TO A BULB SALE OR MAIL IT TO ARLS. Or Call Laurie for address to drop off seed in my mailbox. They specifically want species seed and will gladly take any martagon seed you wish to share. ARLS sent a big box of seeds in July and WOW were they impressed with our donation. We now have a large box of seed envelopes so you can request some envelopes if you are thinking of donating seed. Packages of 25 envelopes are also for sale to members contact Britta.

GARDENING NEWS

For your interest, the upcoming NAJGA regional conference (North American Japanese Garden Association) that Nikka Yuko Japanese Garden will be hosting in Lethbridge, from Sept 16 to 18, 2016. Please visit www.najga.org, or call Nikka Yuko Japanese Garden at 403-328-3511 for more details and registration.

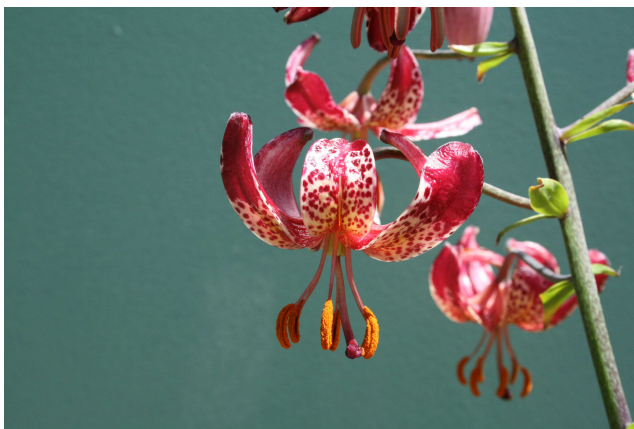

Spruce Grove & District Agricultural Society hosted a Farm & Heritage Carnival on August 20, 2016. The lilies that Terry planted in the garden at the SG Grain Elevator did very well and there were lots of positive comments. No lily beetle there.

Spruce Grove & District Agricultural Society Harvest Fair - Saturday, September 17, from 9:30am - 1:30pm. The SG Farmers Market is also open at this time, and the yard is transformed into a farm yard scene with hay rides, stuff a scarecrow competitions, cross saw competition, milking contests, farm games, potato sack races, etc. All the attractions are free of charge.

EHS Plant Share and Sale Sept 17, 2016 10 AM - 2PM EHS Office parking lot 10746 - 178 Street, Edmonton <https://edmontonhort.com/plant-exchange/plant-exchange-sale/> to get instructions on how to label plants and participate in the exchange.
