

## **2014 Annual Martagon Show Salvaged**

In the third week of June, when I was putting the final touches on the plans for the Annual Martagon Show, it seemed like there was not likely be many stems due to the late spring, and colder and wetter than usual earlier summer temperatures. A week before the Show, Mother Nature decided to help and gave us hot summer-like conditions which inspired the Martagons and made for a great show with 149 stems to be judged.

Our classification judges, Terry Willoughby and Leo Krupka, strategically divided the stems into 37 individual Classes. This set the stage for our team of judges, Sandra Venton (NALS Vice President – Canada), Bill Mackay and Shauna Willoughby, to go to work evaluating each stem and selecting the best for ribbons and awards. There were 90 ribbons awarded; 32 firsts, 24 seconds, 25 thirds and 9 honorable mentions. The Show team was rounded out by the support of the clerks, Melanie Farkas and Dianne Skimming.

We had 9 exhibitors showing lilies in this year's Show, 7 of them were veterans and two were first time Martagon exhibitors. Everyone did a great job of grooming and staging their stems. Rookie Jane Starr was awarded the First Time Exhibitor Award for her white Martagon stem. The Alberta hybridizers brought in a number of impressive new cultivars. Terry and Shauna Willoughby led the pack with a couple of their seedlings taking the Best Alberta Bred Martagon and the Best Lily in Show. Marie and Emmett Wenger presented a number of impressive lilies and captured the Best Collection of Six prize. The sweepstakes competition was extremely close with one first place ribbon separating gold from silver and silver from bronze; Terry and Shauna Willoughby (8), Marie and Emmett Wenger (7) and Ieuan Evans (6). With the slow start to the year we did not have any Junior Exhibitors, but we're looking forward to next year!

Ieuan Evans generously donated a number of pots of Claude Shride for door prizes, the winners were: Diana Boylen, Gary Duthler, Orlean Moran, Brenda Spencer and Shauna Willoughby. With Martagon lilies in their gardens maybe some of these folks will be future competitors. This group was a small fraction of the overall number that visited this year's Show. The great weather contributed to the record attendance with 540 (Saturday 195/Sunday 345) passing through the doors to admire the stems. Many of those that visited wanted to know more about lilies and how to get Martagons into their gardens, they took Events Brochures and hopefully we'll see them at the fall bulb sales. There was also one membership renewed and some merchandise sold; 4 Let's Grow Lilies, 2 Martagon Books and one each of Prairie Garden, Prairie Phoenix and Lily Disease Book.

As always our supporting cast of volunteers made this event possible. Thanks to Maureen Bexson, Ieuan Evans, Melanie Farkas, Laurie Hepper, Arnold Semeniuk, Dianne Skimming and Shauna Willoughby for receiving the public and representing ARLS. Their enthusiasm definitely inspired some of the gardeners that visited to add Martagons to their gardens, great job of *Promoting genus Liliium as an excellent garden plant*. Laurie Hepper once again provided photographic support by taking pictures of all the winning stems in the Show. Also thanks to the great group that showed up on Sunday afternoon to help dismantle the Show.

Finally, let me extend my thanks to the Devonian Botanic Garden staff for their ongoing support. This partnership is invaluable to the success of our Show. In addition to the Show they continue to do a great job of maintaining the Martagon and Asiatic lily beds. We are all excited about the future and the opportunity to host the Show in the new visitor center! Next year we are planning to have maps to help people navigate their way from the Show to the Martagon Beds and watch for coloring bags for the kids. See you next year, 2015, on the weekend of July 4<sup>th</sup>.
